A NOTE TO INSTRUCTORS AND STUDENTS:

1. Review your exam schedule carefully to ensure that all of your courses appear. If your course is not listed, check with your Instructor, as you may not have a SCHEDULED final for that course.
2. Note the TIME, DATE, and LOCATION of each exam (carefully), and show up to write as scheduled.
3. Note that some exams will be held in the Main Gym or another classroom that is different from where you had your lectures. Instructors requesting changes to the room location should contact the Registration and Student Finance Office. Changes to the room number should be announced in the affected class after checking with the Registration and Student Finance Office.
4. Exams with the room number TAKE are Take-Home Exams; they are due at the date and time indicated.
5. If you miss your final exam, please come to or call the Registration and Student Finance Office immediately to complete a Permission to Miss an Examination form. Permission is granted by the Registrar, and is only given in extreme circumstances (illness will need a doctor's note). See pages 60 and 61 in the Calendar for further information. Travel is not a valid reason to miss your final exam.
